Angel's Eye

What ya gonna do when the Angels come?  
Get movin', yeah movin'  
I'm gonna get your kicks a-from a 911  
It's groovin', so soothin'

Your passion to bleed is just lookin' to feed  
Your own fancy  
The blind side o' you is a bad dream come true  
That you can't see.

[Chorus:]  
From an Angel's eye  
Kiss it all goodbye  
From an Angel's eye  
Ain't no place to hide.

Tell me what you see through an Angel's eye?  
A halo on fire  
You never really know 'till it's "do or die"  
Your Devil's desire.

You're running in place like a rat in a race  
going nowhere  
The evil you speak's from the tongue of a freak  
So don't go there!

[Chorus:]  
From an Angel's eye  
Kiss it all goodbye  
From an Angel's eye  
Ain't no place to hide, yeah

[Guitar Solo]

What ya gonna do when the Angels come?  
What ya gonna do when you come undone?  
I'm gonna get your kicks a-from a 911  
Get movin', yeah movin'

[Chorus:]  
From an Angel's eye  
Kiss it all goodbye  
From an Angel, Angel, Angel, Angel's eye!  
Ain't no place to hide

From An Angel's Eye  
Kiss Your Life Goodbye  
From An Angel Angel Angel's Eye  
Ain't No Place To Hide

From an Angel  
From an Angel  
From an Angel!
