This girl that I knew
She loved me and blew me away
We made love no doubt
But she never went out of her way

I keep wonderin', I keep wonderin' why
Do the wings of your butterfly
Lightenin' thunder
I keep wonderin' why

Hey I think you need an attitude adjustment
Knock-down drag out
I got to make myself a latitude adjustment
With or without

I was rather naive
So I didn't believe when you said
Our love is in jail
Honey you hit the nail on the head

I keep wonderin', I keep wonderin' why
Do the wings of your butterfly
Lightenin' thunder
Ain't no wonderin' why

Hey I think you need an attitude adjustment
Knock-down drag out
Got to make myself a latitude adjustment
With or without

Now I know what it is
Cause I know what you are
No more cryin' eyes my friend
Excuse me fuckin' moi

No more wonderin'
I got news for you

Hey I think you need an attitude adjustment
Knock-down drag out
I got to make myself a latitude adjustment
I'm headin' south

Hey yeah I think you need an attitude adjustment
From inside out
