A friend of mine was talking  
I was earjacking, eavesdropping  
Down on my knees so I could hear what she was sayin'  
As I got closer to her fire her desire  
Was to lead me on and on and on and it was like

Beautiful  
We are free again  
We're out of here  
Beautiful  
You and me my friend  
Let's disappear

Now I got to thinkin'  
About my high speed dirty days  
What I want, what you need  
I think you best believe it  
Got it, want you here  
But you still gotta know  
We can skin it, we conceal it  
Yeah so baby let's begin it sayin'

Beautiful  
We are free again  
We're out of here  
Beautiful  
You and me my friend  
Let's disappear  
Beautiful  
Do all things  
We never tried  
Beautiful  
Just spread your wings  
And let it fly

Woah woah beautiful (x3)  
Beautiful yeah  
Beautiful

Beautiful  
We are free again  
We're out of here

Beautiful  
You and me my friend  
Let's disappear  
Beautiful  
Do all things  
We never tried  
Beautiful  
Just spread your wings  
And let it fly

Woah woah beautiful (x2)
