I took a course in Hallelujah
I went to night school for de blues
I took some stuff they said would cool ya...hea ha
But nothing seemed to light my fuse

But that's all in the past
Like a check that's in the mail
She was a tall whiskey glass
I was an old hound dog
That just loved to chase his tail

Until I met a Blind Man
Who taught me how to see...yeah
A Blind Man
Who could change night into day
And if a I can
I'm gonna make you come with me...yeah
Because a here come the sun
And we'll be chasing all the clouds away...yeah yeah...

I've had some lovers like a joyride
Some things are never what they seem
My heaven's turned into a landslide
Thank God I woke up from that dream

I met a Blind Man

Who taught me how to see...yeah
Blind Man
Who could change night into day
And if a I can
I'm gonna make you come with me...yeah
Beacuse a here comes the sun
And we'll be chasing all the clouds the way
The bee's chase honey
And drink all the flowers dry
We'll be saving us a little money
And if that doesn't do it, yeah
I know the reason why

Don't make no sense lightin' candles
There's too much moonlight in my eyes

I met a Blind Man
Who taught me how to see...yeah
Blind Man
Who could change night into day
And if a I can
I'm gonna make you come with me...ah ah ah ah yeah
Because a here come the sun
Ain't no surprise
Ain't no doubt about it
Gonna open up my eyes
