I fell from Holy Moses' mountain
Where love's a slippery slope
And all the others I've been hangin with
Never gave me too much rope
And then one day she came to me
Love at first sight head to toes
I love her wild, a mountain child
And that's just jow she goes
And here she got
And I can't stop loving you
Cause it's all I wanna do
Yeah the world needs more of this
Tell me what you put in to that kiss
Now keep that coming on
Let me hear my favorite song
Yeah you're all I wanna do
Cause I can't stop loving you
Got me a good old time and cowboy
He got my picture on the fridge
And the first time that he kissed me
We was high up on the ridge
And when he came down from the mountain
On a ride with Mama Kin
And for all it costs, for getting lost, there ain't no better
sin
Here we go again
You know I can't stop loving you
Cause it's all I wanna do
Yeah the world needs more of this
Tell me what you put in to that kiss
Now keep it coming on
Let me hear my favorite song
Yeah you're all I wanna do
Cause I can't stop loving you

When I wake up and see your face
All that jump in a picture lace
And that there's nowhere else I would rather be
Than all tied up in this rhapsody
ooooh (yeah x7)
Hey I can't stop loving you
Cause it's all I wanna do

Yeah the world needs more of this
Tell me what you put in to that kiss
Now keep it coming on
Let me hear my favorite song
Yeah you're all I wanna do
Cause I can't stop loving you
