Ooooh, on the beach in Cartegena
She, salty baby with the name
Oh, chiquita
No no, chiquita

She, takes me walkin' in de sunshine
She, she'll be lovin' 'til de moon shine

Love chiquita
Oh no chiquita

She, got the poppy eyed desire

Tease, 'til the boys put out your fire

Love chiquita
Oh, no chiquita

Oh, no, no, now don't you wake me up, I'm dreamin'
No, no, no, if you shake me I'll be screamin'

Love chiquita
Oh, no chiquita
