Sweet Susie Q she was a revel  
No angel wings more like the devil  
She was so hot, so cool and nasty  
Believe it or not here's what she asked me...  
'If you need love with no condition  
Let's Do the Do honey I'm on a mission

The girl's so bitchin', my backbone's twitchin'  
Cause down in Hell's kitchen  
The Devil's got a New Disguise  
I'm on a mission, a proposition  
Its intuition cause,  
The Devil's got a New Disguise

If you see Kay, tell her I love her  
She did me in but I'll recover  
She said love was her desire  
All that she touched she set on fire  
She was so diss - I couldn't slag her  
She blew a kiss - I threw the dagger

The girl's so bitchin', my backbone's twitchin'  
Cause down in Hell's kitchen  
The Devil's got a New Disguise  
I'm on a Mission, a propostion  
It's intuition  
The Devil's got a New Disguise

We came from the wrong side of town  
Got nothing to lose when you're upside's down  
We gotta get outta this place  
We gotta leave or will smash your face  
We came from the wrong side a town  
Got nothing to lose when you're upside's down  
We gotta get outta this place Got nothing to lose 'cause  
It ain't no suprise... with your little silver lies  
Got me feelin tranquilized  
When she lends me her surprize  
'cause Monday night  
Is Tuesday ride  
Or Wednesday night  
Shes Thursday's Child

'On Friday night night night night night night night  
...you've gotta give it all o' your love

Ooh ooh oooh ooh oooh

We came from the wrong side of town  
Got nothing to lose when your upside's down  
We live on the wrong side of the tracks  
Got lady to show but 'em old smoke stacks  
We gotta get out of this place,  
We gotta leave or will smash your face  
We came from the wrong side town...yeah...  
The girls so bitichin' my  
Backbone's twitchin'  
'cause down in hell's kitchin  
The Devil's Got A New Disguise

Ooh oooh ooh  
I'm on a mission, a proposition, It's intuition  
'cause the Devil's Got A New Disguise  
The girls so bitichin' my backbone's twitchin'  
'cause down in hell's kitchin  
The Devil's Got A New Disguise
