Totally out of control
She owns me
I didnt know that she'd know She stoned me
I think I got it bad and I cant let it go
I thought & youd be much better

All of the cashmere all orange & green
Shes naturally drop dead gorgeous
cleanly gardenia and black lessareen
shes naturally drop dead gorgeous
its so not fair

Completely inside my head imagine pretending
Shes the book that Ive read with a beautiful ending
It really drives me mad I cant leave her alone
cause I wont let me forget her

Rose colored glasses you know what that says

shes naturally drop dead gorgeous
Her sweet molasses on my slice of bread
shes naturally drop dead gorgeous

Totally out of control
She owned me

Sweet almond eyes just to see & be seen
shes naturally drop dead gorgeous
she tasted like cherries sweet loves grenadine
shes naturally drop dead gorgeous
Makes love like a rabbit to my velveteen
shes naturally drop dead gorgeous
a gem with a smile like a young norma jean
shes naturally drop dead gorgeous
