Dulcimer Stomp/The Other Side
come on
lovin' you has got to be
(take me to the other side)
like the devil and the deep blue sea
(take me to the other side)
forget about your foolish pride
(take me to the other side)
oh take me to the other side
(take me to the other side)
my mama told me there'd be days like this
and man she wasn't foolin'
'cause I just can't believe the way you kiss
uh huh
you opened up your mouth with baited breath
you said you'd never leave me
you love me, you hate me, I tried to take the loss
you're cryin' me a river but I got to get across
lovin' you has got to be
(take me to the other side)
like the devil and the deep blue sea
(take me to the other side)
forget about your foolish pride
(take me to the other side)
oh take me to the other side
(take me to the other side)
I'm lookin' for another kind of love
oh lordy how I need it
the kind that likes to leap without a shove
oh honey, best believe it
to save a lot of time and foolish pride
I'll say what's on my mind, girl
you loved me, you hate me, you cut me down to size
you blinded me with love and yeah it opened up my
eyes
lovin' you has got to be
(take me to the other side)
like the devil and the deep blue sea
(take me to the other side)
my conscience got to be my guide

(take me to the other side)
oh honey take me, take take take take take ow

take me to the other side
I'm lookin' for another kind of love
oh lordy how I need it
the kind that likes to leap without a shove
honey, you best believe it
now I ain't one for sayin' long goodbyes
I hope all is forgiven
you loved me, you hate me, I used to be your lover
you know you had it comin' girl so take me to the other
side
take me to the other side
take me to the other side
lovin' you has got to be
(take me to the other side)
like the devil and the deep blue sea
(take me to the other side)
my conscience got to be my guide
(take me to the other side)
oh honey take me to the other side
(take me to the other side)
lovin' you has got to be
(take me to the other side)
like the devil and the deep blue sea
(take me to the other side)
forget about your foolish pride
(take me to the other side)
honey take me take me take me take me to the other
side
(take me to the other side)
(take me to the other side)...
