Wake up kid its half past your youth
Ain't nothin' really changing but the date
You a grand slammer, but you know Babe Ruth
You gotta learn how to relate
Or you'll be swinging from the pearly gate
Now you got all the answers, low and behold
You the right key baby, but the wrong keyhole, yo

Well I woke up this morning
On the wrong side of the bed
And how I got to thinkin'
About all those things you said
About ordinary people
And how they make you sick
And if callin' names kicks back on you
Then I hope this does the trick

'Cause I'm a sick of your complainin'
About how many bills
And I'm sick of all your bitchin'
Bout your poodles and your pills
And I just can't see no humor
About your way of life
And I think I can do more for you
With this here fork and knife

[Chorus:]

Eat the Rich: there's only one thing they're good for
Eat the Rich: take one bite now - come back for more
Eat the Rich: I gotta get this off my chest
Eat the Rich: take one bite now, spit out the rest
So I called up my head shrinker
And I told him what I'd done
Said you'd best go on a diet
Yeah I hope you have some fun
And a don't go burst a bubble
On the rich folks who get rude
'Cause you won't get in no trouble
When you eats that kinda food
Now their smokin' up the junk bonds
And then they go get stiff
And they're dancin' in the yacht club

With Muff and Uncle Biff
But there's one good thing that happens
When you toss your pearls aside
Their attitudes may taste like shit
But go real good with wine
[Chorus]

Believe in all the good things
That money just can't buy
Then you won't get no belly ache
From eatin' humble pie
I believe in rags to riches
Your inheritance won't last
So take your Grey Poupon my friend
And shove it up your ass!
[Chorus]

Eat the Rich: there's only one thing they're good for
Eat the Rich: take one bite now - come back for more
Eat the Rich: don't stop me now I'm goin' crazy
Eat the Rich: that's my idea of a good time baby
