Gypsy, gypsy, dancing feet  
Gypsy, gypsy, bittersweet  
Screamer, dreamer, disarray  
Gypsy, gypsy, why did you fly away

No good, papa's no good  
Sister's no good and that's a drag  
Sometimes you're feelin'  
Like your head's on the ceiling  
When you scream hey mama...rag  
When your daddy come home  
With an old soup bone  
'Cause he drank all the money away  
And your mama's in the kitchen  
On the phone she be bitchin'  
And your girlfriend who called to say

Gypsy, gypsy, dancing feet  
Gypsy, gypsy, bittersweet  
Screamer, dreamer, disarray  
Gypsy, gypsy, why did you fly away

High school lover, with ya corpse undercover

Gettin high jack...Lebanese  
Hey mama, choosed it, y'all all been through it  
Or be fallin' off you right to your knees  
(Pair a shades, shotgun, rock on) ?  
Chewing gum, take it to the dance tonight  
Your a (love hate) ? child with wild child smile  
And you don't care wrong from right

Gypsy, gypsy, dancing feet  
Gypsy, gypsy, bittersweet  
Screamer, dreamer, disarray  
Gypsy, gypsy, why did you fly away

Nobody but nobody baby  
Knockin' my socks off  
Rock, rock, rockin'  
I'll be gotten, I'll be gettin' my rocks off  
Nobody but nobody shootin'

never gets a shot off  
Yeah, yeah, yeah
