Jesus is on the main line... tell him what'choo want
Jesus is on the main line... tell him what'choo want
Jesus is on the main line... tell him what'choo want
You just... call him up and tell him what you want
Yeah... he will come in a hurry... just tell him what'choo
want
I said... he will come in a hurry... just tell him what'choo
want
Oh he will come in a hurry... just tell him what'choo want
Oh... call him up and tell him what'choo want
Jesus is on the main line... tell him what'choo want
Jesus is on the main line... tell him what'choo want
Jesus is on the main line... just tell him what'choo want
Oh... call him up and tell him what'choo want
If you're sick and you can't get well... just tell him
what'choo want
Wooo... if you're sick and you can't get well... just tell
him what'choo want
Yeah... if you're sick and you can't get well... tell him
what you want
Wooo... call him up and tell him what'choo want
Jesus is on the main line... tell him what'choo want
Yeah... Jesus is on the main line... just tell him what you
want
Jesus is on the main line... just tell him what you want
Ooh... call him up and tell him what you want
