Finders keepers, losers weep  
Down on 42nd Street  
Aw barefoot children cryin', my-oh-my

I watched you on the Avenue  
While other men were havin' you  
I think that you should let your caged bird fly

And kiss your past goodbye  
Kiss your past goodbye, yeah  
Kiss your past goodbye, yeah  
Kiss your past goodbye

I've been so lost I must confess  
I had my share of loneliness  
But yeah, it's hard to keep a good man down

The loves you lost were all in vain  
The past is all inside your brain  
I don't think you need those memories hangin' round

Yeah goodbye  
A-Kiss your past goodbye  
You gotta learn to fly  
And kiss your past goodbye  
yeaaaaaah, yeah yeahhhhhhhhhh

Aaaaaaaa Kiss your past goodbye  
Ooooooooo Kiss your past goodbye

And if that bird don't fly away  
There's just one thing I've got to say.

Its later than a deuce a ticks  
Your broken heart on needs a fix  
Your feedin' off a high that will not last

N people they don't seem to care  
And sorry just don't cut it, yeah  
It seems to me your gettin' nowhere fast

So Kiss... your... past...

or kiss your ass goodbye  
Kiss your past goodbye  
Thers no more tears to cry, yeah  
Kiss your past goodbye  
Kiss your past goodbye or  
Kiss your ass goodbyeaaaaaaaaah
