There's somethin' wrong with the world today  
I don't know what it is  
Something's wrong with our eyes

We're seein' things in a different way  
And God knows it ain't his  
It sure ain't no surprise

Livin' on the edge  
Livin' on the edge  
Livin' on the edge  
Livin' on the edge

There's somethin' wrong with the world today  
The light bulb's gettin dim  
There's meltdown in the sky

If you can judge a wise man  
By the color of his skin  
Then mister you're a better man than I

[Chorus:]  
Livin' on the edge  
You can't help yourself from fallin'  
Livin' on the edge  
You can't help yourself at all  
Livin' on the edge  
You can't stop yourself from fallin'  
Livin' on the edge

Tell me what you think about your sit-u-a-tion  
Complication - aggravation  
Is getting to you

If chicken little tells you that the sky is fallin'  
Even if it wasn't would you still come crawlin'  
Back again  
I bet you would my friend

Again & again & again & again & again

Tell me what you think about your sit-u-a-tion

Complication - aggravation  
Is getting to you

If chicken little tells you that the sky is fallin'  
Even if it was would you still come crawlin'  
Back again  
I bet you would my friend  
Again & again & again & again

Something right with the world today  
And everybody knows it's wrong  
But we can tell 'em no or we could let it go  
But I'd would rather be a hanging on  
[Chorus]

Livin' on the edge  
Livin' on the edge  
Livin' on the edge  
Yeah, yeah, yeah, yeah, yeah, yeah, yeah  
[Chorus]

Livin' on the edge  
You can't help yourself  
You can't help yourself  
Livin' on the edge  
You can't help yourself at all  
Livin' on the edge  
You can't help yourself  
You can't help yourself  
Livin' on the edge  
You can't help yourself  
You can't help yourself  
Livin' on the edge  
You can't help yourself from fallin'
