(Guitar intro)

There's somethin' wrong with the world today
I don't know what it is
Something's wrong with our eyes

We're seeing things in a different way
And God knows it ain't His
It sure ain't no surprise

We're livin' on the edge
We're livin' on the edge
We're livin' on the edge
We're livin' on the edge

There's somethin' wrong with the world today
The light bulb's gettin' dim
There's meltdown in the sky

If you can judge a wise man
By the color of his skin
Then mister you're a better man than I

We're livin' on the edge
You can't help yourself from fallin' (Everybody,
everybody)
Livin' on the edge
You can't help yourself at all (Everybody, everybody)
Livin' on the edge
You can't stop yourself from fallin' (Everybody,
everybody)
Livin' on the edge
(Everybody, everybody)

Tell me what you think about your sit-u-a-tion
Complication - aggravation
Is getting to you

If Chicken Little tells you that the sky is fallin'
Even if it wasn't would you still come crawlin'
Back again?
I bet you would my friend
Again and again and again and again and again

(Guitar fill)

Tell me what you think about your sit-u-a-tion
Complication - aggravation
Is getting to you

[Living On The Edge lyrics on]

If Chicken Little tells you that the sky is fallin'
Even if it was would you still come crawlin'
Back again?
I bet you would my friend
Again and again and again and again and

There's something right with the world today
And everybody knows it's wrong
But we can tell them no or we could let it go
But I would rather be a hanging on
