Savin' all your money  
For a rainy day limousine  
Teenage baby send you  
Full friction magazine  
I don't know how she do it

Up down turnaround  
Four on the floor tonight  
When she did what she was doin'  
She was rubbin' me the wrong way right  
Push come to shove  
Give it one more try  
Don't miss your water  
Until the well runs dry

Love Me Like A Bird dog  
Never Learn to Fly

Bareback baby  
Tell me what's on your mind  
If it's the same old same old  
Slap you on the back behind  
I don't know how you do it  
Tell me one time  
About how it used to be  
You got the judge and jury  
Swinging from the highest tree  
Push came to shove  
Give it one more try

Don't miss your water  
Until the well runs dry

Love Me Like a Bird Dog  
Never learn to fly  
Ask me no questions  
I'll tell you no lies

Love Me Like a Bird Dog  
Never learn to fly  
Ask me no questions

Bass drum beating  
Like a hot damn house on fire  
Love lover's quarrels  
Always seem to make the body cry  
I don't know how she do it  
Tell me one time  
About how it used to be  
She got the judge and jury  
Swinging from the highest tree  
Push came to shove  
Give it one more try  
You don't miss your water  
Until the well runs dry

Love Me Like a Bird Dog  
Never learn to fly  
Ask me no questions  
I'll tell you no lies
