hello, hello hello come on come on come over. hello
hello hello until the storm blows over. love 3 times a
day, love your life away. love 3 times a day and get
yourself ahead in a jam. love 3 times a day , there aint
no other way, its in your dna, let everybody know who
you am. goodbye,goodbye,goodbye, nice of you to
stop over. goodbye goodbye goodbye, before you do
roll over. love3 times a day lock yourself away, hate is
so passe'. and get yourself ahead in a jam. love 3
times a day, theres no right everyday, its in your
dna.and tell em that you came with the band. its the
same ole same ole booty entertain, if you really need a
lover honey call my name. you can loose your mind
looking for a love, like your looking for a diamond in a
rhinestone love. theres one kind of lover thats just my
style, thats a downtown lady with an uptown smile.
imma tophat , gloves, kissing lipstick girls, kissing
highheel lovers with a silver spoons. love 3 times a day.
lock yourself away. love 3 times a day, and get yourself
ahead in a jam. love 3 times a day, aint no other way,
and then a matinee'. its time that you be taking a stand.
you'll never know another lover lover in the whole wide
world, that can love you like a lover, yea, this kind of
girl. you can pray that she love ya like nobody else
could and the way that she could love ya everybody
understood. and to it every year, when ya aint got
none, you'll be gettin out of trouble while im havin fun.
with your gameface baby, dont ya look so sad, im the
best damn lover that your ever gonna have.. love 3
times a day. im a topsheet lover imma cats meow.i aint
ever gonna stop and ill never know how.. say ya done
alot of livin in to few years. you dont wanna get trapped
so lets sincere.. love 3 times a day.. hot monkey sex on
a hot tin roof you'll be higher than a child on a million
proof. its the same ole same ole booty entertain if ya
really need a lover honey CALL MY NAME..
