I fell from holy Moses mountain, where love's a
slippery slope
And all the others I've been hanging with, never gave
me too much room
Then one day she came to me, love at first sight, head
to toes
I love her wild, my mountain child and that's just how
she goes
And here she got

Chorus:

Hey I can't stop loving you
Cause it's all I wanna do
Yeah the world needs more of this, tell me what you put
into that kiss, yeah
Now keep that coming on, let me hear my favorite song
Yeah you're all I wanna do, cause I can't stop loving
you

Carrie Underwood:

Got me a good old ... cowboy
He got my picture on the fridge
And the first time he kissed me, we was high up on the
ridge
And when we came down from the mountain, I will ride
with my ...
And for all it costs, for getting lost, there ain't no
better sin
Oh, yeah

Chorus:

You know I can't stop loving you
Cause it's all I wanna do
Yeah the world needs more of this, tell me what you put
into that kiss, yeah
Now keep that coming on, let me hear my favorite song
Yeah you're all I wanna do, cause I can't stop loving
you

When I wake up and see your face
All that jump in a picture lace
And that there's nowhere else I would rather be

Then all tied up in this rhaWsody

Chorus:

Hey I can't stop loving you

Cause it's all I wanna do

Yeah the world needs more of this, tell me what you put
into that kiss, yeah

Now keep that coming on, let my hear my favorite song

Yeah you're all I wanna do, cause I can't sto loving
you
