## "Movin' Out"

We all live on the edge of town  
Where we all live ain't a soul around  
People start a-comin'  
All we do is just a-grin  
Said we gotta move out  
'Cause the city's movin' in  
I said we gotta move out  
'Cause the city's movin' in

Tell me who you know  
And I'll tell you who, too  
Go see my friend and he'll set you free  
Tell me what you need and  
Mabye I can go too  
No one knows the way but maybe me

Nobody goes there  
Nobody shows where  
Nobody knows where you can find me, yeah

Good mornin' glory, Hallelujah to ya  
What is the story, what's been goin' through ya  
Livin' like a king of the fat of the land  
Workin' like a dog in a rock n' roll band

We're movin', we're gettin' out  
We're movin', without a doubt  
We're movin', we're goin' far  
We're movin', oh yes we are

Nobody goes there  
Nobody shows where  
Nobody knows where you can find me  
Nobody knows there  
Nobody shows where  
Nobody knows where you can find me...

Level with God  
And you're in tune with the universe  
Talk with yourself  
And you'll hear what you wanna know  
Gotta rise above

'Cause below it's only gettin' worse  
Life in time  
Will take you where you wanna go

Where you wanna go, where you wanna go  
Where you goin'  
Where you goin'  
Where you goin'  
Ah, Ah, Ah, Ah, Ah, Ah

Good mornin' glory, Hallelujah to ya  
What is the story, what's been goin' through ya  
Livin' like a king of the fat of the land  
Workin' like a dog in a rock n' roll band

We're movin', we're gettin' out  
We're movin', without a doubt  
We're movin', we're goin' far  
We're movin', oh yes we are

Nobody knows there  
Nobody shows where  
Nobody goes where you can find me  
Nobody knows there  
Nobody shows where  
Nobody goes there you can't find me  
Round n' round...

We all live on the edge of town  
Where we all live ain't a soul around  
People start a-comin'  
All we do is just a-grin  
We gotta move out  
'Cause the city's movin' in  
I said we gotta move out  
'Cause the city's movin' in
