My Girl, she breathes hellfire  
And My Girl, she feeds my desire  
My Girl Sadie, she's the wind in my sails  
A puss'n boots lady with a cat o' nine tails  
Comin' after you honey, feet don't fail me now

My Girl, she's bare back rider  
And My Girl, she's Lady Godiva  
She's a full time love no mon ami  
Sweeter than honey from a honeybee  
And it all rubs off on little old me, oh

Slippin' in and out of love  
Slippin' in and out of love  
Slippin' in and out of love  
Slippin' in and out of love

My Girl, she smokes barbed wire  
And My Girl, can't get no higher  
I made it with the lady and a one track mind  
Diamonds in the rought, they're so hard find  
Day after day, the same old grind  
And grind and grind and grind....

My Girl, My Girl, My Girl, My Girl....

My Girl, she's bare back rider  
And My Girl, she's Lady Godiva  
She's a full time love no mon ami  
Sweeter than honey from a honeybee  
And it all rubs off on little old me, oh

Slippin' in and out of love  
Slippin' in and out of love  
Slippin' in and out of love  
Slippin' in and out of love

Oh, My Girl!
