It was a take it or a leave it
Kinda Saturday night
I wish I could love you 'til the cows come home
If the make is right
If it's a make believe I say it ain't
And tell you then
'Cause if it's a dream i'm in please wake me up
and smile again

Oooh, close your eyes and what do you see
Oooh, look what in hell they did with your only belief

She was a real top manner
Lies and no conniver
Heart pumpin' floozy
Late night driver
Her second hand clothes
Smiling like a cheshire cat

Said it was in and out and up and down the urchin
moon
Only a certain situation on the sea I'm who
Putting the ring around the rose n' pull the daisy chain
Cover your head and tell me you ain't from there and
back again

Oooh, close your eyes what do you see
Oooh, nothing but how you will live with your only belief
in me

She was a real top manner
Lies and no conniver
Heart pumpin' floozy
Late night driver
Her second hand clothes
Smiling like a cheshire cat

Give a good one I want to be or not to be tonight
Why should I hold her down in bed when you should
ride me right
Want you to give it all you got, no need to make a
mends

Cover your little mouth come up for air
I got the bends
Oooh, close your eyes and what do you see
Oooh, nothing but how you will live with your only belief
in me

She was a real top manner
Lies and no conniver
Heart pumpin' floozy
Late night driver
Her second hand clothes
Smiling like a cheshire cat
