(It's not a place you can get to  
By a boat or a train...it's far, far away...

(Words from Wizard of Oz)

Oaahh!

There's a cockroach in my coffee  
There's a needle in my arm  
And I feel like New York City  
Get me to the farm

(Chorus)

Get me to the farm  
Get me to the farm  
Get me to the farm  
Somebody get me to the farm

I got terminal uniqueness  
I'm an egocentric man  
I get caught up in my freakness  
But I ain't no Peter Pan  
Get me to the farm

Get me to the farm  
Get me to the farm  
Get me to the farm  
Get me...

Buckle up straightjack  
Insanity is such a drag  
Jellybean thorazene  
Transcendental jet lag  
Sanity I ain't gona  
Feeling like a pifiata  
Sucker punch, blow lunch  
Motherload, pigeonhole  
I'm feeling like I'm gonna explode

Yeah, I wanna shave my head and  
I wanna be a Hare Krishna  
Tattoo a dot right on my head

Heh, heh  
And the prozac is my fixer  
I am the living dead

(Follow the yellow brick road...  
Follow the yellow brick road...)

Take me to the farm  
Take me to the farm  
Somebody get me to the farm  
Somebody take me to the farm

Take me to the farm  
Take me to the farm  
Somebody take me to the farm  
Somebody take me to the farm

Take me to the farm  
Take me to the farm  
Take me to the farm

(Repeat last verse)

Take me to the farm  
Take me to the farm  
Somebody get me to the farm

(Wake up, honey...Then I'm sure to  
Get a brain, a heart, a home, the nerve)
