You gotta find a way
Yeah, I can't wait another day
Ain't nothin' gonna change
If we stay around here
I gotta do what it takes
Because it's all in our hands
We all make mistakes
Yeah, but it's never too late to start again (yeah yeah)
Take another breath
And say another prayer

Then fly away from here
To anywhere
Yeah, I don't care
If we just fly away from here
Our hopes and dreams
Are out there somewhere
Won't let time pass us by
We'll just fly

If this life
Gets any harder now
It ain't no nevermind
Ya got me by your side
And anytime you want (fly fly fly)
Yeah we catch a train
And find a better place
Yeah, 'cause we won't let nothin'
or no one keep gettin' us down
maybe you and I
Could pack our bags and hit the sky

Then fly away from
To anywhere
Yeah, I don't care
If we just fly away from here
And our hopes and dreams
Are out there somewhere
I won't let time pass us by
We'll just fly

Do you see a bluer sky now

You could have a better ride now
Open your eyes

Because no one here can ever stop us
They can try but we won't let them
No way-ay-ay-ay-yeah-ah

maybe you and I
Could pack our bags and say goodbye

Then fly away from here
To anywhere
No honey I don't care
If we just fly away from here
And our hopes and dreams
Are out there somewhere
Fly away from here (ya ya ya)
Yeah anywhere
Now honey, I don't I don't I don't fly (yeah)

We just fly (fly away)
