I was left as a child  
dragged from the cradle, I was weaned in the wild  
ran with the wolfpack, flesh torn to shreds  
in the compensations, I was left there for dead

Read it in the papers, it ain't fair  
You know who today don't seem to care  
Livin' lovin' gettin' loose  
Masturbatin' with a noose  
Now someone's kickin' out the chair

Yeah, yeah, yeah, yeah

Some kind of voodoo  
Come across this land  
Some kind of voodoo  
We need a medicine man

Everybody's lookin' at the sky  
Can't believe the cover ups and lies

They been tellin' us since birth  
Pissin' off old mother earth  
My gones are by-gones prophesized

Come on

Some kind of voodoo  
Come across this land  
Some kind of hoodoo  
We need a medicine man

Yeah, yeah, yeah, yeah  
Oh, oh, oh, oh

Wonder should i go or should i stay  
What we got ain't working any way  
I did my best, god knows i've tried  
I feel like i've been crusified  
Why did you, why did you,  
Why did you take it all away

Hoodoo, voodoo, medicine man...
