Won't let you down
This time around
Won't let you down
Won't let you down
I made a wish upon a four leaf clover
The symbols in my head said come on over
Yeah, 'cause in my mind I'm goin' out of
We had love there ain't no doubt
I wanna get down wit'you once again
(I'm lookin' up into my eyes)
I'm leavin' it up to you tell me when
You couldn't lose me if you tried
I wanna get down wit'you once again
So I could love you, love you, love you, love (ooo aah)
Won't let you down
This time around
We won't let you down
Won't let you down
If you see Kay don't be afraid to kiss her
If she's not there who cares We'll never miss her
Rewind you to my point of view
I'll be the man ta tame you shrew
I wanna get down (fuck) wit'you once again
(I'm lookin' up into my eyes)
I'm leavin' it up to you tell me when
I wanna get down wit'you yeah again

So I could love you, love you, love you, loveOo
Your train of thought has left station
The great king and his good vibration
Will take good care of your frustration (ooo)
Come on, come on, come on Come on, come on yeah
(Come on come on - ha-ha-ha-haa)
(Well come on - b-r-r-r-r-ree)
(Well come on - you're welcome)
(Well come on - aah noo)
I wanna get down wit'you once again
(I'm lookin' up into my eyes)
I'm leavin' it up to you tell me when
And we can Lucy in the sky
I wanna get down wit'you once again And a friend
So I could (fuck you) love you, love you, love you

Two(oo aah, b-r-r-r-r-r)
(I'm ready baby) (get ready baby yeah)
We won't let you (I'll bet you)
We won't let you down This time around
We won't let you down Won't let you (I'll bet you)
Won't let you dow-eah-eah-eah-yeah
