Let's admire the pattern forming. murderous filigree.
i'm caught in the twising of the vine. go ascend with
ivy, climbing. ignore and leave for me the headstone
crumbling behind. i can't help my laughter as she cries.
my soul brings tears to angelic eyes. let's amend the
classic story, close it so beautifully, i'll let animosity
unwind. steal away the darkened pages, hidden so
shamefully. i'll still feel the violence of the lines. i can't
stand my laughter as they cry. my soul brings tears to
angelic eyes. and miles away my mother cries.
omnipotence, nurturing malevolence.
