"Let It Be Broke"

I live in truth, complacently. where's the threat you see
in me? am i the cause of your self consciousness? you
scream at me 'cause i can't ignore the destructiveness
that you support, 'cause my life's contrary to yours. no
soft words from my mouth. a glazed look in your eyes. i
live in the world of reality, you comfort yourself with
lies. i will release myself, i will detach myself from you.
i will detach myself from you kind. i've seen your life
but i can't see how it is that you can be so content in
your own ignorance. it's been so dark for so long now a
new light has come along, illuminating all, so shut your
eyes. i won't tell you what you want to hear, i will show
you what's real. i will, will defy.
