Hung in your room, swaying, hoping only that you'll see.

All by myself, I'm alone in such poor company.
The deeper I think, The deeper I seem to sink.

chorus:)

I can't stop the insects that are feeding,
pull the needles from beneath my skin.

I broke myself, shattered, tied a bow around every piece.

You'll love the eyes. Have they always shone so vacantly?

The more I show the less you'll want to know.

(chorus)

Now I'm on display, I am becoming.

Hurt myself today, It's all for you.

Do you like, do you like what I'm becoming?

Cut myself today, It's all for you.

I part the night, flashing, approaching as I watch you flee.

Pushed through your panes, seems I've landed quite uncomfortably,

but as I pass through souls of broken glass,

(chorus)

Now I'm on display, I am becoming.

Hurt myself today, it's all for you.

Do you like, do you like what I'm becoming?

Cut myself today, it's all for you.

Please don't ask me just what I think,

Trust me, you don't want to know.

Please don't ask me to open up.

Trust me. Trust me. 'cause I can't.

Stop the insects that are feeding,

pull the needles from beneath my skin.

Now I'm on display. I am becoming.
Hurt myself today, it's all for you.
Do you like, do you like what I'm becoming?
Cut myself today, it's all for you.

It's all for you.
