You will stuck  
And suffocate in the cruelty you've made  
Offspring's blood spilled  
Orders of greed are fulfilled

Mourning grief and sadness turn into  
Wrath and madness  
God bless you. Cause no one will

Black tears of the souls  
As the oil for the hole  
Will become the furnace of your sin

You shall alone  
Against the whole world which you've left in the mess

Can you hear the sound?  
It's the sound of the anger you surrounded

Tyrant of the jaded earth  
Lust for blood, quench your thirst  
Never-ending hypocrisy  
Are the lands now free?

World Wide Wrath  
Is growing with the every chaos you've just sown  
The path you've followed  
Will lead you to the end, your grave now.
