(Dulli)

Got u where I want u  
Motherfucker  
I got 5ive up on your dime  
And if u wanna peep on something  
Peep what I got stuck between  
Your eyes  
And since I don't believe  
A word u say  
Save it for another, baby brother  
Swallow time 2 pay

Up on the ladder they sing  
How high?  
Does a brother have to climb  
2 touch the light

But wait 'till I get done  
With u  
If u tell me  
"Don't get mixed up with the Devil"  
That's exactly  
What I'm gonna do

Caught u while u waited  
For your boy 2 come  
And fix u up again  
Come a little closer, baby  
I only wanna try 2  
Be your friend  
Since I ain't got nothing  
Left 2 lose  
Got u where I want u  
Motherfucker  
Don't u try 2 move

Up on the ladder they sing  
How high?  
Does a brother have 2 climb  
2 touch the light  
Won't u take me up there

With u? U said u would  
No one ever could shake  
That ladder like I could

So I wait
