So what YOU make me hard  
If i was harder now i would crack into a million things  
Things i didn't really need  
But how i wanted so  
What a nice dream  
Didn't want to wake up  
So i kept it dark all the time  
Dark enough so not to see  
But not as dark as the plans that YOU have for me  
So what YOU made me smile  
I had smiled at lesser things before i ever thought of  
YOU  
Before i thought my soul was mine  
Now i think about me only when i can find the time  
Flowers all around  
Put your lover in the ground  
Flowers everywhere yeah yeah yeah  
Nowhere YOU can be found  
I have put YOU in the ground  
Nowhere is everywhere  
For YOU my flower  
Better get myself a drink  
Better get a couple so i can look YOU straight in the  
face  
Tell YOU that i think of YOU  
Almost as much as YOU think of YOU
