Crackin' walls inside my head  
With a bottle full of rain  
I promised to the coaster  
I wouldn't tear it up again

Flick a peanut, break a glass  
I wish I didn't sleep at Mass  
And everything is closin' up  
And yet again I come in last

I saw it in a dream  
It was another time  
And everything was blue  
Everything was fine

And you were always there  
And I could see clear  
I was always yours  
You were always mine

Rise above it, rise above it, rise above it

I see her on the ceiling  
She's staring down in her gown  
I had to make allowances  
Between my love and goin' out

Now everything is closing up  
The last call is well asleep  
At gigs I danced with a Blue Nun  
Now heartburn is goin' cheap

I saw it in a dream  
It was another time  
Everything was true  
Everything sublime

And you were always there  
And I could see clear  
I was always yours  
You were always mine

I saw it in a dream  
It was another time  
Everything was true  
Everything sublime

And you were always there  
And I could see clear  
I was always yours  
You were always mine

Rise above, rise above it  
I wouldn't tear it up again
