Death  
I'm dying  
Laying on the bed that will be my last one  
The faces of my beloved surround me  
They'll all pass me away

I have no fear,  
My time is done and it's time to leave  
Nothing remains of me  
But my dying body that lies in this circle of tears

My eyes will soon close  
And my soul will reach it's new home  
The empty shell of my body  
Will turn into dust and ashes

And suddenly it is done  
I watch my corpse, flying upon him  
I've got nothing to do here for evermore  
It's time to leave now.

The Journey  
I'm dead now  
Sat in Charon's boat, I'm reaching my new home  
Into the isle of the dead, he'll lead me  
Where I'll rest for the end of times

I have no fear,  
The floods are filled with lost souls who'll try to get me  
But they won't take my spirit  
Cause I'm already done with life

My eyes will soon see  
The giant trees and the island's hole-filled cliffs  
My ethereal and living soul  
Will reach it's eternal sleep

And slowly we cross the lake  
I watch the shore, craving to touch it  
I'm so tired, please let me die  
It's is time to rest now
