As a Dark elf I can resist magic and I have the umbra  
sword  
And as an Argonian I am half lizard man and I can walk  
on water  
You cannot stop me, From closing shut, The gates of  
oblivion, you will not stop me  
No imps, or wizard will stop me, No high elf or anything  
To save king martin, after Uriel Septim has died now  
we must move, on  
Save Tamriel, from Mehrunes Dagon, Ocato will reward  
me well,  
And hey this game never ends anyway  
Anyway, free roaming RPG, Free roaming RPG  
I have, become the master of each individual guild

Fighters, mages, thieves, and the arena, I, am  
unstoppable  
Now I have the side quest to be completed,  
Paranoid wood elves, meade to drink,  
Nirnroots, smelly scamps, staff of worms,  
An endless ton of magic done,

Elder, Elder, Scrolls
