Next in Line
by: After Image

What has life to offer me
When I grow old
What's there to look forward to beyond the biting cold
They say it's difficult
Yes, stereotypical
What's there beyond sleep,eat,work in this cruel life
Ain't there nothing else round here but human strife
Coz they say it's difficult
Yeah, stereotypical
Gonna be conventional,
You can't be so radical

So I sing this song to all of my age
For these are the questions
We've got to face
For in this cycle that we call life
We are the ones who are next in line.

We are next in line

What has life to offer me
When I grow old
What's there to look forward to beyond the biting cold
'Coz they say it's difficult

Yes, stereotypical
Gonna be conventional,
You can't be so radical

So I sing this song to all of my age
For these are the questions
We've got to face
For in this cycle that we call life
We are the ones who are next in line.

We are next in line..Oooh...Ohh..
We are next in line....
And we gotta work, we gotta feel,
let's open our eyes and do whatever it takes

We gotta work, we gotta feel,
Let's open our eyes

Wooh..ooh..

And sing this song to all of my age
For these are the questions
We've got to face
For in this cycle that we call life
We are the ones who are next in line.

Sing this song for me
Sing this song for me
Sing
