I can't wait, my heart is already in danger  
The moment I saw you again, I'm automatic  
This kind of feeling is still on and on and on again  
In just one moment, I get a flashback to that time again

My love is automatic, slowly systematic,  
The answer comes out right away tonight  
I go back to that time, go back just as it was  
That image is all coming back to me  
It's so tiring that I'm going crazy, you don't know my heart  
Because my heart was hurt, I closed my heart  
Turn everything back, baby

Bobobo boy I miss you baby uh uh uh  
Can you see me? I hope you believe me, bobobo  
Boy I miss you baby yeah eh eh  
Look at me, come to me  
Come back here like the first day oh  
Come back here, the one and only night oh

Flashback!

"Love is like a lie" was what my sister told me  
But the words vanish tonight  
Disappear just like that, vanish like it's the first time  
Lies, even the deep scars  
Because my heart was hurt, I closed my heart  
Turn everything back, baby

Bobobo boy I miss you baby uh uh uh  
Can you see me? I hope you believe me, bobobo  
Boy I miss you baby yeah eh eh  
Look at me, come to me  
Come back here like the first day oh  
Come back here, the one and only night oh

Oh beautiful magic is with me  
Don't let me down down down down  
Oh it's magical feeling, I believe in you  
Don't let me down down down, no

Fall into me again uh  
A second love once again  
Did you hear it? Can you hear my heart?  
Let's go back to the first feeling (dance)

I'm in flashback, I'm in flashback,  
I'm in flashback, I'm in flashback, baby!

Bobobo boy I miss you baby uh uh uh  
Can you see me? I hope you believe me, bobobo  
Boy I miss you baby yeah eh eh  
Look at me, come to me  
Come back here like the first day oh  
Come back here, the one and only night oh

Flashback!
