Hurry up, ah ah, Hurry up, Hurry up  
Everyone says that love is difficult  
But those words are just words to me  
You stop, all stop, I'm the queen bee  
I'll start slowly, let's get down  
(Ah) everything of you (now) I will take  
If you want the same feelings as I do  
Dream World hurry up

Rip off, hotly, love pop  
This moment that we dreamed of, show time  
Rip off, little by little, tick tock  
Hurry in the electrifying eyes, hands up  
Rip off, Rip off, Rip off, ah ah ah, Rip off

They say that nothing lasts forever in this world  
Many people want that  
I'm feeling the telepathy  
Oh this time, can you feel it

(Ah) The moment you see me (now) won't let go  
Like now, if your touch comes to me  
Dream World hurry up

Rip off, hotly, love pop  
This moment that we dreamed of, show time  
Rip off, little by little, tick tock  
Hurry in the electrifying eyes, hands up  
Rip off, Rip off, Rip off, ah ah ah, Rip off

Rip off, hotly, love pop  
This moment that we dreamed of, show time  
Rip off, little by little, tick tock  
Hurry in the electrifying eyes, hands up  
Rip off, Rip off, Rip off, ah ah ah, Rip off

Rip off, Rip off, Rip off, ah ah ah, Rip off  
Ah under this spotlight, mine, shine on me  
Believe me please baby so  
You fell for my charms and can't even move

Rip off, ah ah ah, Rip off

Rip off, hotly, love pop  
This moment that we dreamed of, show time  
Rip off, little by little, tick tock

Hurry in the electrifying eyes, hands up  
Rip off, Rip off, Rip off, ah ah ah, Rip off

Rip off, hotly, love pop  
This moment that we dreamed of, show time  
Rip off, little by little, tick tock  
In this electrifying eyes, baby boy hands up

Oh oh, ah ah Hurry up, Hurry up! Rip off!
