Breathe now
And rest your eyes
Sleep will come, and bring the night
Oh no

I dream of silver spoons
I dream of lying, next to you
I dream that when I, wake
That you'll be there lying next to me
Oh no
Oh no
Oh no

Beneath the covers
It feels like home
The nights get cold, when your all alone
Oh no

I dream of silver spoons
I dream of lying, next to you
I dream that when I, wake
That you'll be there lying next to me

And everything's okay
There's no more pennies to save
No more midnight pain

And everything's okay
There's no more pennies to save
No more midnight pain

(Quieter)
And everything's okay
There's no more pennies to save
No more midnight pain

And everything's okay
There's no more pennies to save
No more midnight pain

(Louder)
And everything's okay

There's no more pennies to save
No more midnight pain

And everything's okay
There's no more pennies to save
No more midnight pain

And everything's okay
There's no more pennies to save
No more midnight pain
