Plast that fake smile on today  
So everyone will come and play  
Before, the shit hits the fan  
Now everyone raise your hand

And you'll swear you'll know me  
But do you really know me?

Outta' hand, outta' mind and I'm  
Outta' sand, now I'm outta' time  
Outta' hand, outta' mind and I'm  
Outta' sand, now I'm outta' time

The smile was removed tonight  
And everyone feels it's not right  
The shits, already hit the fan  
If you can't help you, no one can

And you'll swear you'll know me  
But do you really know me?  
And you'll swear you'll know me  
But do you really know me?

Outta' hand, outta' mind and I'm  
Outta' sand, now I'm outta' time  
Outta' hand, outta' mind and I'm  
Outta' sand, now I'm outta' time

Tip me over, and pour me out  
Tip me over, and pour me out

Tip me over and pour me out  
Tip me over and pour me out  
Tip me over, and pour me out!

Outta' hand, outta' mind and I'm  
Outta' sand, now I'm outta' time  
Outta' hand, outta' mind and I'm  
Outta' sand, now I'm outta' time

Outta' hand!  
Outta' mind

Outta' sand!  
Outta' time..
