Time and tide they wait for noone, disbelieve it if you
dare
Turn around and they will be gone, and you will still be
standing there
Check it out
Check it out, come on you know it's right
God is right, check it out

People say I'm like a river, cause I'm never standing
still
I don't care I'm gonna live forever, cause the bible says
I will
Check it out

Check it out, come on you know it's right
God is right, check it out

People say that I'm a dreamer, and I don't know what
it's all about
But time will tell who's got the answers, one day we will
all all find out
Check it out

Check it out, come on you know it's right
God is right, check it out

Time and tide they wait for no-one, disbelieve it if you
dare
Turn around and they will be gone, and you will still be
standing there
Check it out

Check it out, come on you know it's right
God is right, check it out
