What kind of line is that when you say you don't understand a single word
I tell you all these things, you turn around and make as if you never heard
What kind of line is that you're giving me
One Rule for you, one rule for me
Too many people try to tell me that I shouldn't say the things I do
I know that you would only do the same if it meant as much too you
What kind of line is that you're giving me
One Rule for you, one rule for me

They say believe in what you like as long as you can keep it to yourself
I say if what I know is right, it's wrong if I don't tell somebody else
What kind of line is that you're giving me
One Rule for you, one rule for me
