One thing leads to another, better think before you talk  
When it comes to hurting each other we learn to trip  
before we learn to walk  
Words can be so detrimental, quick to hurt and slow to  
mend  
So why can't we be friends?  
Anyone can criticise things, anyone can break things  
down  
It's not so easy to revive things, once it's dead it's hard  
to bring around  
What about some words to build on, we all need them  
now and then  
So why can't we be friends?

He can't help it cause he's ugly, she can't help the way  
she stares  
Look at you, you're not so lovely, you look as though  
your face has been repaired  
Let's start thinking of each other, we could start a  
whole new trend  
So why can't we be friends?

People like to give me a hard time, put me up against  
the wall  
I see them standing on the touchline waiting round to  
see me when I fall  
Sorry if I disappoint you but that is not what I intend  
So why can't we be friends?  
Why can't we be friends?  
Why can't we be friends?  
Why can't we be friends?  
Why can't we be...
