Georgia I'm coming  
I'm ready for you now  
Know that you're waiting  
The other side of town

I've got the world  
Singing in my hand  
Singing in my hand

I've got the world  
Singing in my hand  
Singing in my hand

Time is coursing  
My blood is pumping now  
Know that you're waiting  
The other side of town

I've got the world  
Singing in my hand  
Singing in my hand

I've got the world  
Singing in my hand  
Singing in my hand

Magic love land  
I'm tripping with you now  
Know that you'll take me  
Beyond the edge of town

I've got the world  
Singing in my hand  
Singing in my hand

I've got the world  
Singing in my hand  
Singing in my hand

Georgia I'm all for you  
Georgia I'm all for you  
For you
