Neverending shrilly shrieks echo all around the earth
Thunders burst and announce the imminent sentence
Threatening nauseous skies overhang these decaying
soils

Suddenly, sky begins to split and discharge all it's
waste

Over this doomed and vermin contaminated soils
Des corps inertes gisent le long de berges inond?es
Et difusent autour d'eux une odeur putride et avari?e
Les eaux s'impr?gnent de cet ar?me cadav?rique
Qui peu ? peu gagne rivi?res, fleuves, mers et oc?ans
Puis condamne et an?antit toute forme de vie
persistante

Then come the worms, cockroaches and other flesh
eaters

Celebrating the end of aimless life and deserved death
And glorifying the absence of lies, guiles and
hypocrisy

Euphoric ceremonial through rotten skin consumption
Unholy funeral chants about the death of mankind

Des lambeaux de chair tapissent ce paysage morne
Et an?antisent lentement mais in?vitablement toute
cette vie

S'en suit la d?composition de toutes ces chaires
faisand?es

Qui retournent au n?ant le temps su souffle d'un vent
Puis tout signe de vie s'efface et l'anh?donie prend
place

Finally comes the congregation of purifying darkened
clouds

Glutted with looming acid rain and death emanations
Ready to liquidate any form of obsolete useless
existence

And clean each soiled stone and parcel of fouled
ground

Then come the void, nothingness and other earth
eaters

Mourning the end of aimless life and deserved death
