Disarm, fallout
Yea there's something that knowing and knowing
something's what it's all
About
So come on, stand out
'Cause running and running is turning something into
knowing, lookout

Could you believe, you believe (Don't stop looking,
yeah)
Could you believe, you believe (Don't stop, yeah)
Could you believe, you believe (Don't stop looking,
yeah)
Could you believe, you believe (Don't stop, yeah)

Just around the corner everything is shining gold
A new kind of soldier looking for a lot of soul
Oh yeah

Just around the corner everything is shining gold
A new kind of soldier looking for a lot of soul
Oh yeah

This time, your life
Fractions and seconds make eternity in just one night
So come on, stand out
'Cause running and running is turning something into
nothing, no doubt

Could you believe, you believe (Don't stop looking,
yeah)
Could you believe, you believe (Don't stop, yeah)
Could you believe, you believe (Don't stop looking,
yeah)
Could you believe, you believe (Don't stop, yeah)

Just around the corner everything is shining gold
A new kind of soldier looking for a lot of soul
Oh yeah

Just around the corner everything is shining gold

A new kind of soldier looking for a lot of soul
Oh yeah

Could you believe, you believe (Don't stop looking,
yeah)

Could you believe, you believe (Don't stop, yeah)

Could you believe, you believe (Don't stop looking,
yeah)

Could you believe, you believe (Don't stop, yeah)
