I wait for the day to come
Where I'll wake up and be a star
I dream of a different world
Where we will go far
Why bitch about my life
Why bitch about this scene
Why hate this f*ckin town
And wish it was all a dream
Bitch, bitch, bitch
That's all you ever do
Bitch, Bitch, Bitch
Your ego will destroy you
Bitch, bitch, bitch
That's all I have to say
Bitch, bitch, bitch
Well watch this fade away
Just as long as I act cool
People will suck up to me
Then I'll realize that I'm a fake
And that's what I'm always going to be
A dreamer and a kid
Who changes every day
Some one who has to talk
When he's got nothing to say
Nothing to say
Hey kid! It's a great big world
I think there's some sh*t that u need to see
Hey kid go on an entire life
And you would not be bitched
Bitch, bitch, bitch
That's all you ever do
Bitch, Bitch, Bitch
No one's more f*cked than you
Bitch, bitch, bitch
Your life is just a trend
Bitch, bitch, bitch
We'll see who's happy in the end!
