30th of April  
Seems like yesterday  
Bought a house above the ocean  
Where our kids could laugh and play  
I called you from paris  
To tell you that I  
Wrote our names on the observation deck  
Of the Eiffel Tower

Remember those nights  
Playing summer wind on the jukebox of the bar where  
we used to go  
We made out in the bathroom and you walked me to  
my house  
I had to convince you not to go home

If only I had more time  
I'd take you where you wanted to go  
Italy isn't the same without you here  
If only I had one wish  
I'd want a million-trillion lifetimes that I could spend  
with you  
Fall in love with you again and again

1st of November 1998  
I was thinking of what to say when I would call  
"Denise come over to my house  
'Cause you're the one for me  
We'll drink cheap wine and watch for a shooting star"

Remember our first apartment  
Our couch was never big enough for two  
So we'd fall asleep in each others' arms and wake up  
on the floor  
Now looking back it was made for me and you

If only I had more time  
I'd take you where you wanted to go  
Japan is really nice this time of year  
If only I had one wish  
I'd want a million-trillion lifetimes that I could spend  
with you

Fall in love with you again and again

If only I had more time

England isn't the same without you here

You're here

If only I had one wish

I'd want a million-trillion lifetimes that I could spend  
with you

Fall in love with you again and again
