Frankie died just the other night  
Some say it was suicide  
But we know how the story goes

With his six string knife  
And his street wise pride  
The boy was a man before his time  
And she knew all their dreams would come true

But ya see, Frankie was fast  
Too fast to know, he wouldn't go slow  
Until his lethal dose  
And she knows he'll finally come too close.

Going on with the show  
Going on with the show  
Come on baby, no, no, no  
Oh my, my, my

He was bad, he was never good  
But one thing that he understood  
And she knew  
All those lies would come true

The time has come  
And he's paid his dues  
Suzy finally got the news  
She always knew  
This day would come soon

Going on with the show  
Going on with the show  
Come on baby, no, no, no  
Oh my, my, my

Going on with the show  
Going on with the show  
Come on baby, no, no, no  
Oh my, my, my

He was stopped on a dime  
With a switchblade knife

Some damn punk went and  
Took Frankie's life

And she knew  
She'd have to pull through  
Broken down  
With his broken dreams

With a wink of an eye  
Said, "Suzy, listen to me  
You must go on with the show"

Going on with the show  
Going on with the show  
Come on baby, no, no, no  
Oh my, my, my

Going on with the show  
Going on with the show  
Come on baby, no, no, no  
Oh my, my, my

Oh baby
