Only two more days, until your birthday  
Yesterday was mine  
You'll be turning five  
I know what it's like, growing up without your father in  
your life  
So I pretend, I'm doing all I can  
And I hope someday you'll find it in your heart

To understand  
Why I'm not around  
And forgive me for not being in your life

I remember waiting  
For you to come  
Remember waiting  
For you to call  
Remember waiting there to find nothing at all  
I remember waiting  
For you to come  
Remember waiting  
For you to call  
Waiting there to find nothing at all

maybe someday  
you really get to know me

not just the letters read to you  
I pray I get the chance  
To make it up to you  
We got a lot of catching up to do

So I pretend, I'm doing all I can  
And hope someday you'll find it in your heart

To understand  
Why I'm not around  
And forgive me for not being in your life

I remember waiting  
For you to come  
Remember waiting  
For you to call

Remember waiting there to find nothing at all  
I remember waiting  
For you to come  
Remember waiting  
For you to call  
Waiting there to find nothing at all

Forgive me!  
I'm so sorry!  
I will make it up to you....
