In a way it's a, a matter of time  
I will not worry for you, You'll be just fine  
Take my thoughts with you, and when you look behind  
You will surely see a face that you recognize

You're not alone I'll wait till the end of time  
Open your mind, Surely it's plain to see  
You're not alone, I'll wait till the end of time for you  
Open your mind, Surely it's time to be with me

It is the distance  
That makes life a little hard  
Two minds that once were close  
Now so many miles a part  
I will not falter though  
I'll hold on 'till your home  
Safely back where you belong  
See how our love has grown

You're not alone, I'll wait till the end of time  
Open your mind, Surely it's plane to see  
You're not alone, I'll wait 'till the end of time  
Open your mind, baby there's time for me and you

You're not alone, I'll wait till the end of time  
Open your mind, Surely it's plane to see

You're not alone  
You're not alone  
I'll wait till the end of time

Open your mind  
Surely there time to be with me
